Chapter 240-1. ORGANIZATION.

Rule 240-1-.01. Organization of Board.

- (1) The Georgia State Board of Cosmetology and Barbers is created by act of the Georgia General Assembly with the passage of House Bill 314 to amend Title 43 Chapter 10 of the Official Code of Georgia Annotated, relating to professions and businesses, combining the former Georgia State Board of Barbers and the former Georgia State Board of Cosmetology effective July 1, 2015 (O.C.G.A. §43-10).
- (2) Pursuant to O.C.G.A. Title 43, Chapters 1 and 10, all Rules and Regulations of the Georgia State Board of Cosmetology and Barbers pertaining to licensure, complaints and

enforcement shall be administered by the Professional Licensing Boards Division of the Office of the Secretary of State. The office of the Division Director is located at 237 Coliseum Drive, Macon, Georgia 31217.

- (3) The Board receives, reviews, and adjudicates student and consumer complaints with regard to the educational facilities and individuals licensed by the Board in compliance with [34 CFR § 600.9\(a\)\(1\)](#). Disciplinary action by the Board includes, but is not limited to the following: compliance orders, citations, fines, referral to other federal and state agencies, as well as probation, suspension and/or revocation of license, when warranted.
- (4) The members of the Georgia State Board of Cosmetology and Barbers shall be appointed by the Governor (O.C.G.A. § [43-10-2\(f\)](#)).
- (5) The public may obtain information and submit requests at the Office of the Division Director, Professional Licensing Boards (O.C.G.A. § [43-10-2\(i\)](#)).

Rule 240-1-.03. License Application Fees and Renewal Fees.

- (1) Licenses shall be issued and renewed in accordance with the Joint Secretary Rules. These rules may be found at 295-2. All license/permit fees for renewal and reinstatement shall be established by the Board periodically as set forth on a fee schedule.
- (2) The fee schedule is available from the Board office and at the Board's website. Fees may be reviewed and changed at the discretion of the Board. The Board may assess a paper application processing fee that is greater than or in addition to an electronic application

fee(s). The Board may assess a late renewal fee that is greater than or in addition to any other renewal fee(s) if a license is renewed after the license expiration date.

- (3) Electronic renewal notices are sent only as a courtesy. The responsibility of license renewal, on or before expiration date, remains with the license holder.

Chapter 240-2. VIOLATIONS AND FINES.

Rule 240-2-.01. Inspections, Violations, Citations, and Fines.

Any person or facility licensed by the Georgia State Board of Cosmetology and Barbers shall be required to adhere to the Board Rules, subject to inspection at any time, and required to pay to

the Georgia State Board of Cosmetology and Barbers a fine for each of the violations listed under this chapter.

- (a) A citation shall be issued by an inspector or representative of the board for violation of the Laws and/or rules and regulations, and shall be given to the licensee to pay within 30 days of the issuance of the citation unless the licensee requests in writing a hearing before the board. Such request for a hearing must be received by the board within 30 days after receiving the citation.
- (b) Failure either to pay the fine or request a hearing shall result in immediate suspension of the license pending a hearing to determine whether other disciplinary or revocation action should be imposed on the licensee.
- (c) The Board may order a fine against an individual license or a facility license.
- (d) Repeated violations of the laws and/or rule and regulations shall result in the suspension or revocation of the personal and/or facility license issued by the Board.
- (e) For inspections in facilities with multiple instances of violations, an inspector or representative of the board may issue a citation for each instance, denoting each instance on the inspection sheet.
- (f) The Board may deny a license renewal or place on hold a license for unpaid fines.
- (g) Citations shall be indicated on the inspection report, which is required to be posted as required by Board rules.
- (h) In addition to a fine, a health and safety score/grade may be issued by an inspector or representative of the board for violation of the laws and/or rules and regulations, and shall be indicated on the inspection report if issued. The most recent inspection report is required to be posted in a facility at all times as required by Board rules.

Chapter 240-3. CONTINUING EDUCATION.

Rule 240-3-.01. Continuing Education.

- (1) Number of Continuing Education Hours Required for Renewal or Reinstatement of Licenses.
 - (a) In order to renew a license, each licensee shall provide to the Board proof of completion a total of five (5) continuing education (CE) hours in a form acceptable to the Board as follows:
 - 1. Three (3) hours of the total five (5) hours must be satisfied by a course in health and safety developed or approved by the Board. A health and safety course or program that meets or exceeds the three (3) hours that has been developed and offered through a college, university department, or division of continuing education of the Department of Education, the Technical College System of Georgia, the Board of Regents, or The American Red Cross may be accepted by the Board without prior approval.
 - 2. Two (2) hours of the total five (5) hours must be in a course previously registered with the Board in any of the following areas:
 - (i) industry or trade show;
 - (ii) health and safety;
 - (iii) industry trends;

- (iv) computer skills;
 - (v) business management;
 - (vi) the area of practice for the type of license held by the licensee.
- (b) If audited, the licensee shall submit written proof from the CE provider of attendance and/or completion of each CE course submitted for credit.
- (c) In order to reinstate a lapsed license after expiration, the applicant shall pay all fees required by law or rule, including the reinstatement fee(s), and shall submit documentation of completion of 5 CE hours for each lapsed period. A license shall be issued upon completion of all requirements of the laws and rules.
- (2) Exemption from CE Requirements for Active licenses (see O.C.G.A. § [43-10-10](#)).
- (a) A licensee that meets any of the following exemptions shall not be required to complete the CE requirements set out in this Rule:
1. the holder of a license who is renewing a license for the first time shall not be required to meet the CE requirements;
 2. licensees who have held a license for 25 years or more and can submit documentation thereof to the satisfaction of the Board;
 3. licensees who claim an exemption shall submit to the Board a written request together with proof of any one of the following:
 - (i) active duty service members in the National Guard or U.S. military; active duty Reservists in the National Guard or U.S. military;
 - (ii) transitioning service members of the National Guard or U.S. military on separation leave who is within 24 months of retirement or 12 months of separation;
 - (iii) age by documentation or proof of attainment of age 65 or older;
 - (iv) disability, medical or otherwise; a documented permanent disability, copy of an award letter of disability benefits such as Social Security, or federal railroad retirement;
 - (v) illness or temporary disability documented by the appropriate licensed medical physician or specialist stating the disability, anticipated duration and physical or mental limitation(s);

- (vi) other hardship circumstances as the Board may determine on a case by case basis. Hardship requests shall require a written, sworn statement, signed by the licensee before a notary public, setting out the facts supporting the hardship claimed. Rule 240-3-.02. Registration of Continuing Education Providers and Continuing Education Courses.

- (1) Continuing Education Provider registration. All Continuing Education ("CE") Providers must submit a complete application, including CE courses submitted for approval, and the required registration fee. An incomplete application will not be processed and will be returned to the applicant provider. Any CE provider wishing to add CE courses for Board approval that were not part of an initial application must submit an application for additional courses with the required registration fee.
- (2) Approved CE Courses. To be accepted by the Board for the purpose of license renewal or reinstatement, a CE course must be approved by the Board, or be a CE course developed by the Board, or be a CE course offered by an approved and/or registered CE provider in compliance with this Rule. To receive CE credit, each CE course provider shall provide each licensee written proof of completion of the CE course. The Board shall not recognize CE courses other than those authorized by Georgia law and Board rules.

- (3) Preapproved CE course providers. Courses in cosmetology, barbering, barber II, hair design, nail technology, esthetics, computers, business, or health and safety offered by the following providers shall satisfy CE requirements without prior Board approval or registration:
- (a) a college, university department, or division of continuing education under the jurisdiction of the Board of Regents of the University System of Georgia, the Georgia Department of Education, the Technical College System of Georgia;
 - (b) the American Red Cross;
 - (c) an accredited postsecondary institution in Georgia;
 - (d) continuing education and conference courses offered by the following national organizations:
 - 1. National Interstate Council of State Boards of Cosmetology (NIC);
 - 2. National Association of Barber Board of America (NABBA);
 - 3. National Accrediting Commission of Career Arts & Sciences (NACCAS);
and
 - 4. Professional Beauty Association (PBA).
- (4) Industry or trade show course registration. Providers of industry or trade show courses are providers that offer CE courses for credit for a limited time only at industry or trade shows. Providers of industry or trade show courses that wish to register courses for CE credit must submit an application and supply the following information to the Board for course approval:
- (a) date, time, and location;
 - (b) sample or description of the certificate, letter, or form to be used as written proof of course attendance or completion for licensee participants;
 - (c) course outline; and
 - (d) number of CE hours for each course.
- (5) Course of study registration. Providers of courses of study that wish to register courses for CE credit must submit the following information to the Board for course approval:
- (a) outline of subject matter;
 - (b) list of persons teaching;
 - (c) summary of qualification of teachers;

- (d) number of CE hours for each course;
 - (e) date and location of course;
 - (f) form to be used as written proof of course completion for licensee participants; and
 - (g) course evaluation form.
- (6) Internet, electronic or home study course registration. Providers of Internet, electronic or home study courses must submit the same information for registration with the Board as the providers of courses listed in paragraph (5) of this Rule with access information which will allow review and curriculum analysis by the Board.
- (7) Board developed courses. The Board shall develop and/or approve an appropriate continuing education course covering board rules, Georgia law, and/or health and safety information for licensees. The health and safety continuing education course shall contain curriculum that is board developed or board approved.
- (8) All CE providers shall:
- (a) not represent themselves, or use any images, seals, or words that directly or indirectly imply that the provider is the Georgia State Board of Cosmetology and Barbers or the Georgia Office of the Secretary of State. The prohibition against such representations shall include all promotional material including, but not limited to, provider name, course or business name, websites, advertisements, e-mails, marketing or mailings. Providers may use the Board-approved CE provider registration number assigned by the Board;
 - (b) not represent that tests of knowledge or skills are required as proof of successful completion of any CE course;
 - (c) give each licensee written proof of the licensee's attendance and completion of a CE course. The CE provider registration number issued by the Board must be included on the certificate of completion;
 - (d) shall maintain a roster of participants completing each CE course that includes the participant's board license number, licensee name, course number, course name, date of course completion, and course evaluation form. The Board may require providers to provide access to this roster for inspection or submission to the Board for review upon request at any time;
 - (e) not represent that any call-in or mail-in continuing education courses are recognized or approved by the Board. CE providers that market call-in or mail-in courses as being Board-approved for CE credit are subject to revocation of their provider registration. In addition, any CE course credits for such courses shall not be valid and shall not be accepted by the Board; and

- (f) provide the complete board-approved health and safety curriculum in its entirety to all registrants of Board-approved CE courses offering credit for health and safety CE hours.
- (9) CE Courses not registered with the Board. Any licensee may request Board approval of an unregistered industry or trade show or other unregistered course of study for CE credit.

The Board, in its discretion, may approve such course on a case by case basis. All licensees shall receive written proof of attendance and/or completion of CE courses from the provider and the licensee shall submit such proof to the Board.

- (10) CE Provider promotion information. CE Providers of continuing education courses must include the provider registration number issued by the Board on all promotional material including, but not limited to, information about courses, websites, advertisements, emails or mailings.
- (11) CE Provider registration and expiration dates. The Board will accept applications for CE Provider registrations beginning April 1 and closing September 1 of each odd year beginning in 2017, and each odd year thereafter:
 - (a) CE Providers must submit a new CE Provider application registration bi-annually to the Board. CE Provider registrations are not renewable;
 - (b) After approval, the CE Provider is authorized, subject to the requirements of the Board, to offer approved Continuing Education (CE) courses for a two-year period, beginning on January 1 of the even year immediately following the year of registration with the Board;
 - (c) CE provider registrations shall expire on December 31 of each odd year;
 - (d) CE providers registered prior to 2017 shall continue to be registered/recognized by the Board to offer Board approved CE courses until their registration expires on December 31, 2017; and
 - (e) Industry or Trade Show CE Course Providers are not subject to the provisions of paragraph 11 of this rule, and must register under the requirements of paragraph 4.
- (12) The Board may suspend the registration of any CE Provider for noncompliance with this rule.

Chapter 240-4. FACILITY REQUIREMENTS.

Rule 240-4-.01. Requirements of Operating a Facility.

- (1) All facilities (salons/shops or schools) wherein cosmetology services are practiced or taught within the State of Georgia must provide suitable quarters equipped to give adequate services. ALL facilities are subject to inspection by any Board member or inspector, who shall have the power and right to enter into and make reasonable inspection of any facility during regular business hours; and refusal of or failure to permit or cooperate with such reasonable inspection shall subject an individual and/or a facility holding a license issued by the Board to sanctions, including revocation of the certificate of registration.
- (2) A salon/shop shall have a permanent and definite location in which the cosmetology professions of master cosmetologist, hair designer, master barbering, barbering II, nail technician, and/or esthetician, are practiced in accordance with the laws and rules of the Georgia State Board of Cosmetology and Barbers.
 - (a) any salon/shop operating from within a person's home, residence, or private structure must comply with all of the provisions of state law and the rules and regulations promulgated by the board, except that it shall not be necessary for a salon/shop operating in a private home to post a salon/shop sign unless the person elects to do so under O.C.G.A. § [43-10-18](#);
 - (b) mobile units, including kiosks, carts, mobile homes, trailers, and motor homes, shall not be issued a license as a salon/shop unless they meet all requirements of the Board and are anchored on the ground operating in a permanent location.
- (3) The use of salon/shop space for sleeping, dining or any other domestic purpose is prohibited. The salon/shop and the domestic space cannot be connected by a doorway or opening.
- (4) Space used for a salon/shop must be separated by tight, floor to ceiling high walls from other residential and commercial space to prevent the spread of hair, skin, dirt, dust and debris to reduce the spread of bacteria;
 - (a) commercial space that is used in its entirety for salon/shop space that is divided into "suites" may utilize partitions that are seven (7) feet in height;
 - (b) individual suites must have a door that closes and locks.
- (5) Walls, ceiling, floors, furniture and equipment must be kept free from excessive dust, dirt and debris. All equipment must be kept in good and safe working condition.
- (6) Each facility shall provide - on the premises or in the same building as, and within 300 feet of, the salon - adequate toilet and lavatory facilities. To be adequate, such facilities

shall have at least one toilet and one sink or shampoo bowl with running hot and cold water.

- (7) Toilet and lavatory facilities shall be equipped with toilet tissue, soap dispenser with soap or other hand cleaning material, sanitary towels or other hand-drying device such as a wall-mounted electric blow-dryer, and waste receptacle.

Rule 240-4-.02. Posting of Licenses, Rules, Signs and Inspection Reports.

- (1) Each facility shall post the license issued to them by the Georgia State Board of Cosmetology and Barbers, or a current copy of the online verification of licensure within fifteen feet of the facility entrance at all times in an open area of the facility, or at each work station, so as to be unobstructed and easily viewable for both customers to read and for inspection by the Board.
- (2) The facility owner(s) shall ensure that each employee posts, in an open and public area, the current license/permit issued to them by the Georgia State Board of Cosmetology and Barbers or a current copy of the online verification of licensure.
- (3) Facilities shall have posted in an open and public area at all times a copy of the most recent inspection report:
 - (a) If a licensee is issued a passing inspection report, the report issued by the inspector shall be posted within 30 days of the date of inspection and serve as the final inspection report
 - (b) If a licensee is cited and pays the citation within the required time, the report issued by the inspector shall be posted within 30 days of the date of inspection and serve as the final inspection report
 - (c) If a licensee is cited and does not pay the citation, the report issued by the inspector shall be posted within 30 days of the date of inspection until the citation reaches final disposition at a Board meeting or citation hearing. If the Board modifies the citation issued, the licensee may post the final disposition report of the Board sent to the licensee or otherwise available on the Board website. If the Board upholds the citation, the report issued by the inspector shall remain posted and continue serve as the final inspection report
- (4) Facilities shall comply with rules for sanitation, health and disinfectants in Chapter 240-5 of the Rules of Georgia State Board of Cosmetology and Barbers.

- (5) Health, safety and sanitation rules and regulations governing facilities in the State of Georgia shall be posted in an open and public area in the facility so as to be easily read by customers. An electronic copy of the rules is acceptable.
- (6) Facility owners shall post the required signage available on the Board's website. If signage other than that from the Board's website is used or otherwise unavailable, posted signage must include the following wording:

Cosmetology laws, rules, and regulations are available upon request. All cosmetology services shall only be performed on intact, healthy scalp, skin, and nails. Customers should not shave their legs the same day as receiving pedicure services to reduce the risk of infection. Any razor-like implement, such as a credo blade, shall not be used. In order to reduce the chance of injury or infection, licensees shall not use any razor-type callus shavers designed and intended to cut growths of skin such as corns or calluses, e.g., credo blades. In order to prevent the spread of bacteria, pumice stones shall not be reused from one customer to another to prevent the spread of bacteria. No pets - Only guide and service animals are allowed in a Salon/Shop.

- (7) Schools shall have exterior signage indicating the type of school facility license
- (8) Schools shall post a sign stating "Service by Students Only."
- (9) Salon/shops operating in space designed as "suites" must display facility licenses in a manner that clearly indicates which salon/shop license individual practitioners are working in.

Rule 240-4-.03. General Health and Safety.

- (1) Licensees shall represent professional qualifications truthfully and accurately, including education and professional affiliations, and provide only those services within the scope that the practitioner is qualified by education, experience, and skill to perform within recognized professional standards for the practice of cosmetology and barbering.
- (2) Hand washing is required before and between providing services to each client. An anti-bacterial soap is recommended to sanitize the hands and the exposed portions of arms before providing services and after smoking, drinking, eating, and using restrooms.
- (3) Practitioners of the cosmetology and barbering profession in Georgia shall wear appropriate protective clothing and/or footwear at all times during the provision of clinical services to prevent occupational exposure to potential infectious materials. The

federal Occupational Safety and Health Administration (OSHA) regulates appropriate clothing and footwear for practicing license holders that may include, but not be limited to, clinical jackets, gloves and/or similar outer garments for the protection from infectious or harmful materials.

- (4) Practitioners shall ensure that clients in a salon/shop or school wear appropriate clothing and footwear at all times during the provisions of services to prevent potentially harmful exposure to chemicals and infectious materials. Providing a client with a covering is acceptable.
- (5) Pets shall not be allowed in facilities, with the exception of guide and assistance dogs for qualifying clients as permitted by Title 30 of the Georgia Code.
- (6) All waste material must be removed daily. Garbage shall be stored in a covered, washable container and shall not be left in the establishment overnight. All work stations and client service areas must be free from food and soiled dishes.
- (7) Sharps such as razor blades should be disposed in a sharps container. Sharps containers must be stored upright, have OSHA biohazard labels, and have the manufacturer's safety flap lid in place. Sharps containers must be properly disposed of when three-fourths (3/4) full. The Georgia Department of Natural Resources as well as local county and/or city ordinance regulates the proper disposal of waste containing sharps such as razor blades.
- (8) In order to reduce the chance of injury or infection, licensees shall not use any implement designed to remove layers of skins such as:
 - (a) razor-type callus shavers designed and intended to cut growths of skin such as corns or calluses;
 - (b) credo blades;
 - (c) cutters;
 - (d) scrapers;
 - (e) graters;
 - (f) anything that abrades or removes layers of skin.

Rule 240-4-.04. Cleansing and Disinfection of Implements and Equipment.

- (1) The use of any article that is not properly cleansed and disinfected on any client or subject is prohibited.
- (2) Each facility shall provide correct disinfection and storage standards at all times.
 - (a) Multi-use tools, implements, and equipment constructed of nonporous materials such as metal, glass, or plastic for use on more than one client include, but are not limited to the following items:
 1. nail clippers;
 2. cuticle nippers;
 3. cuticle pushers;
 4. scissors;
 5. shears;
 6. reusable nail forms;
 7. manicure and pedicure bowls;
 8. foot files;
 9. glass;
 10. metal and fiberglass files;
 11. metal drill bits;
 12. tweezers;
 13. come done extractors;
 14. brushes;
 15. dusting brush (nylon bristles that can be disinfected ONLY);
 16. combs;
 17. clips;
 18. reusable pencil sharpeners;
 19. reusable gloves;
 20. any other metal or non-porous tools or implements not listed above.

- (b) Following each use, all multi-use tools, implements, or equipment that are used on clients must be cleansed and disinfected as follows:
 - 1. After cleaning with warm soapy water to remove all hair and debris, tools, implements, or equipment must be disinfected by complete immersion.
 - 2. Disinfectant containers must be large enough for complete immersion of implements (enough solution to cover all surfaces of the item) for 10 minutes in a disinfectant that indicates on its label that it has been registered with the EPA as a disinfectant. The disinfecting solution must be free of debris and contaminants at all times and must be changed daily.
 - 3. After immersion, rinse implements thoroughly with clean warm water and blot implements dry.
 - 4. Clean implements should be stored following Rule [240-4.05](#) below. Tools cannot be stored in disinfectant.
 - (c) An autoclave that meets or exceeds ANSI/AAMI ST55:2010 or ISO 17665 standards for producing high temperature steam (121°C to 134°C) is an acceptable method of sanitizing implements.
 - (d) Ultraviolet lights, dishwashers, and steam devices are not acceptable methods of cleansing and disinfection.
- (3) Single use items cannot be disinfected and should not be reused. Single use items shall be discarded after being used one time. These items include but are not limited to:
- (a) buffers;
 - (b) emery boards;
 - (c) nail files;
 - (d) sleeves and sanders for electric files;
 - (e) orange wood or birch wood sticks;
 - (f) wooden applicator sticks or spatulas;
 - (g) porous foot files;
 - (h) pedicure slippers and toe separators;
 - (i) disposable gloves;
 - (j) paraffin liners;

- (k) cotton balls, cotton strips or swabs;
 - (l) neck strips and muslin strips; or
 - (m) any item(s) that cannot be disinfected.
- (4) Pedicure equipment cleaning and disinfection procedures to be used for all pedicure equipment that holds water including sinks, bowls, basins, pipe-less, and whirlpool spas are as follows:
- (a) After each client, all pedicure units must be cleaned with a chelating soap or detergent with water to remove all visible debris, then disinfected for at least fifteen (15) minutes with a disinfectant that indicates on its label that it has been registered with the EPA as a disinfectant. If the pedicure unit has a foot plate, it should be removed and the area beneath it cleaned, rinsed, and wiped dry.
 - (b) At the end of each day of use, the following procedures shall be used:
 1. All filter screens in whirlpool pedicure spas or basins for all types of foot spas must be sanitized according to International Nail Technician Association (INTA) disinfecting procedures
 2. All visible debris in the screen and the inlet must be removed and cleaned with a chelating soap or detergent and water. For all pedicure units, the jet components and/or foot plate must be removed and any debris removed and cleaned.
 3. After the above procedures are completed, the basin should be filled with clean water and the correct amount of disinfectant that indicates on its label that it has been registered with the EPA as a disinfectant. The solution must be circulated through foot spa system for 10 minutes and the unit then turned off. Before using the equipment again, the basin system must be drained and flushed with hot clean water for 10 minutes to remove residual solution. Finally, the unit should be wiped dry.
 - (c) Once each week, additional procedures should be performed. After completing the required cleaning procedures for the end of the day, the basin should be filled with water that contains one teaspoon of 5.25% of EPA registered bleach for each gallon of water. The solution should be circulated through the spa system for 5 to 10 minutes. Before being used again, the system should be drained and flushed according to the manufacturer's instructions.
 - (d) A record or log book containing the dates and times of all pedicure equipment cleaning and disinfection procedures must be documented and kept in the pedicure area by the salon or shop and made available for review upon request by a consumer and/or an inspector from the Board.

- (5) Towels and linens contaminated with blood or bodily fluids must be washed separately with a disinfectant that indicates on its label that it has been registered with the EPA as a disinfectant along with laundry detergent per the manufacturer's instructions with each load.
- (6) Sinks and shampoo bowls must be thoroughly cleansed and disinfected with a disinfectant that indicates on its label that it has been registered with the EPA as a disinfectant, and free of any hair or other debris.

Rule 240-5-.02. Apprentices Training in a Salon/Shop.

No salon/shop shall have in training more than one apprentice for each person licensed at the master cosmetologist, master barber, hair designer esthetician or nail technician level. More than one apprentice is permissible if affirmatively shown to the Georgia State Board of Cosmetology and Barbers that the apprentice will be denied the opportunity of learning the profession of cosmetology, master Barber, barber II, hair design, esthetics, or nail technology provided that the burden of proof shall be upon the person or persons seeking to show that the opportunity to learn the profession has been denied.

- (1) Each apprentice shall be trained and supervised by one licensee as shown on the apprentice's registration filed with the Board by the salon/shop owner/manager. A licensee shall have an apprentice according to the level of registration as follows:
 - (a) Master cosmetologist - hair design apprentice, nail tech apprentice, esthetician apprentice, or master cosmetologist apprentice;
 - (b) Master Barber - master barber apprentice barber II apprentice;
 - (c) Hair designer - hair design apprentice;
 - (d) Esthetician - esthetics apprentice;

- (e) Nail Technician - Nail Tech Apprentice.

- (2) The salon/shop owner or the supervising Master may temporarily designate, by written and signed statement, a qualified master to train and supervise the apprentice in the absence of the master licensee who is registered with the Board as being the master responsible for training the apprentice. The temporarily designated master shall have at least 36 months experience and shall have held a certificate of a master for at least 36 months as required by O.C.G.A. §43-10-14.

- (3) The salon/shop has the burden of proof for establishing that circumstances exist which require assigning an apprentice to another licensed and qualified master on a temporary basis shall be deemed to have been met if the training master is absent from the salon/shop for a limited duration of time. Such time periods include, but are not limited to, illness, jury duty, military leave, absences for personal business or travel, vacation, temporary leave of absence from work, or a leave under the federal "Family and Medical Leave Act".

- (4) Any apprentice training hours obtained at a location other than the salon/shop registered with the Board as the apprentice's training salon/shop shall not be counted toward the number of hours required for examination and licensing.

Rule 240-15-.02. Cosmetology School Curriculum.

The curriculum for students enrolled in a school of cosmetology for a complete course of a minimum of nine (9) months and totaling fifteen hundred (1,500) hours of training (250 theory + 1250 service application hours) shall be as follows:

- (a) Level 1 instruction shall be provided by a licensed master cosmetology instructor. Each school or licensed instructor shall require each student to obtain two hundred fifty (250) total hours of Level 1 training before the student performs clinical services on a client/patron. Of these two hundred fifty (250) hours, two hundred twenty five (225) shall

be theory and training on mannequins, and of the final twenty five (25) hours, fifteen (15) hours shall be on skin care and ten (10) hours shall be on nail care. For the purposes of this Rule, one (1) theory hour equals one (1) clock hour for the first 250 hours of training, which are intended to be theoretical in nature.

1. Theory = (40) - (40 theory hours/40 clock hours);
 - (i) chemistry;
 - (ii) cleansing and disinfection;
 - (iii) EPA; OSHA, infection control standards; blood spill procedures; and
 - (iv) AIDS; HIV; and communicable diseases.

2. Theory of Permanent Waving = (45) - (45 theory hours/45 clock hours);
 - (i) the chemistry of permanent wave solution and its reaction;
 - (ii) the chemistry of relaxers and their reactions; and
 - (iii) the principles of permanent wave rod placement.

3. Theory of Hair Coloring = (45) - (45 theory hours/45 clock hours);
 - (i) the chemistry of color;
 - (ii) principles of color application; and
 - (iii) the chemical reaction of hair color.

4. Theory of Hair and Scalp Treatments and Conditioning = (20) - (20 theory hours/20 clock hours);
 - (i) hair analysis;
 - (ii) scalp condition; and
 - (iii) treatments.

5. Theory of Hair Cutting = (25) - (25 theory hours/25 clock hours);
 - (i) proper handling and care of instruments.

6. Theory of Shampooing = (15) - (15 theory hours/15 clock hours);
 - (i) proper procedure of shampooing;

- (ii) knowledge of shampooing formulas; and
 - (iii) water temperature.
7. Theory of Hairdressing/Hairstyling = (35) - (35 theory hours/35 clock hours);
- (i) 20 hours training on mannequins; and
 - (ii) 15 hours training on live models (without compensation).
8. Theory of Nail Care and Skin Care = (25) - (25 theory hours/25 clock hours);
- (i) concepts and principles of nail care procedures and correct handling of instruments - (10 theory hours/10 clock hours); and
 - (ii) concepts and principles of skin care procedures and techniques - (15 theory hours/15 clock hours).
